**Subject:** Re: Anaconda a few questions about the Sept 28 working session

David,  
That looks good to me.  
Let me know if you have any questions.  
Thanks

Hi Tashina,

Good afternoon. Can I ask a few questions?

For the Anaconda Deferral Documents and Key Issues Working Session (9/28)

1. EPA proposes starting the meeting at 830 am and ending at 300 pm. Is this acceptable?
2. Is the proposed meeting location still o.k. – YPT Community Center?
3. Is it o.k. to hold the meeting with EPA and NDEP and both Tribes at once (WRPT and YPT)? (I know sometimes the Tribes would like to have separate sessions but in this case I think having both Tribes together would work well.)
4. Is it o.k. to invite BLM?
5. How would you like to handle the lunch break? We would enjoy having lunch together but could we also set aside 15 minutes during the lunch break in case EPA wants to briefly caucus with its team, and others may want to caucus with their teams?
6. FYI Greg Lovato (NDEP) has to leave at noon but other NDEP staff can stay until 3.

Thanks!

All best,

David A. Seter, P.E.
